Valid suggestions will be conveyed to BoS in Chemistry

1. Inclusion of numerical and spectral problems for spectral and certain analytical techniques
2. Inclusion of good documentation practices
3. Inclusion of coding and decoding of samples and sample treatment
3. Inclusion of pesticide and fertilizer analysis
4. Reduction of too many analytical techniques
5. Hand-on training of instruments
6. Reconsideration of topics based on different types of pollution
7. Modification in syllabus of Quality in analytical chemistry
8. Inclusion of Characterization of different samples using analytical techniques
