Mechanism for maintenance and upkeepment of college infrastructure.

Infrastructure	Day to Day Maintenance	Major Maintenance
Building (Class Rooms, Office and Supporting Services)	Class IV staff clean class rooms once in a day and corridors twice in a day.	Professionals are called twice in a year on contract basis by inviting quotations
Common Staff Room, Faculty Rooms and Other Offices	Class IV staff clean common staff room, faculty rooms and other offices once in a day.	Professionals are called twice in a year on contract basis by inviting quotations
Laboratories	Laboratory Assistants and Class IV staff have been deployed for each laboratory to take care about maintenance.	<ul style="list-style-type: none"> <li>• Repair of equipments and maintenance of laboratories is done by laboratory technicians on advice of concerned teaching staff.</li> <li>• Professionals are called for major maintenance of equipments and computers</li> </ul>
Library	Class IV staff look after the maintenance of library.	<ul style="list-style-type: none"> <li>• Pest control is done every year.</li> <li>• Professionals are called</li> <li>• Major maintenance of furniture, electrical equipments and computers.</li> </ul>
College Premises and Playground	Class IV staff and attendants clean college premises and playground.	Major maintenance is done by using the services of professionals and class IV staff and attendants
Gardens	Separate trained gardeners are appointed for maintenance.	Professionals are called twice in a year on contract basis
Gymkhana and Gymnasium	Class IV staff under the guidelines of physical director look after the gymkhana and gymnasium.	Technical staff is invited for the maintenance of equipments
Botanical Garden	Laboratory attendants and assistants look after the botanical garden under the supervision of teachers.	Consultants are called as per requirement.
Toilet Blocks	Separate sweepers are appointed on contract basis for cleaning the toilets twice in a day (outsourcing).	Technicians are called as and when required.
Water Tanks	Water tanks are cleaned by professional cleaners on contract basis once in every three months (outsourcing).	Technicians are called as and when required.
Cafeteria	Yearly contract is given to the professional caterer who look after the management and maintenance of cafeteria.	Completed by appointing civil contractor.
Infrastructure	Day to day maintenance	Major maintenance
Gas Bank	Laboratory attendants and assistants look after the maintenance.	Professional technicians are called for the checking and maintenance as per the requirement.
Electrical Power Station	In house electrical operator looks after the maintenance.	Outsourced agency.

Generator	In house electrical operator looks after the maintenance.	Outsourced agency.
High Power Electrical Station	Maintenance is done by Maharashtra state electrical distribution company on request	Technicians and engineers.
Resource Centres	Special staff has been appointed for maintenance of the centre.	Major maintenance of the centre is done by annual maintenance contract with concerned agencies.

Thus, we use in-house staff as well as outsourced staff for maintenance

**We utilize our infrastructure in three sessions, specifically the mode of utilization is as under-**
