Department of Microbiology

About the Department

Department of Microbiology (Established 2000-2001) is one of the premier departments of the college. Department offers Bachelor and Master's degree in Science with specialization in Microbiology, and add-on courses like Certificate and Diploma Course in Applied Biotechnology, Bridge Course in Basic Microbiology, Bridge Course in Microbial Technology and Remedial Courses for overall development of the students. Department is funded by grants of DST FIST, and enriched with sophisticated instrument facility established centrally in the college under 'College with Potential for Excellence Scheme' of UGC. The department has organized two UGC and one RUSA sponsored National Level Seminars. Faculties of the department are actively involved in research activities such as UGC, University and industry sponsored research projects, community oriented research projects and guiding student's projects for presentation in Avishkar Research Convention and conferences. Faculty members are also indulged in publication of research articles, publication of books and chapters and also in patenting the design/utility in Microbiology.
