ABOUT THE DEPARTMENT

Interior design is becoming an increasingly viable career creative individuals who have a flair for home and design and decor. However, there's more to it than just the inclination. There's also the ability. To be a good interior designer you need several skills you need some in built and some acquired. The skills that need to be acquired can be gained by enrolling for a course. We B.C. Thakur Centre for skill development conducting two-year Diploma Interior Designing Course which is affiliated to Dept. of Adult and Continuing Education and Extension, S.N.D.T. University & Autonomous two years Diploma Interior Designing Course. Our Institute was established in 2003. Our goal is to provide academic and specialize practical directive for preparing the learners to enter the very changing and challenging world. To fulfill our vision and mission we have eminent team of professionals. The autonomous courses run by college is designed by us with the consultation of expert from industry. Our teaching method is based on 70% practical. We teach basic elements and principles of design, drawing, and theory. The student is equipped with adequate knowledge and experience in designing simple interiors initially and the field of design than expands from residential to commercial and other public places of interiors. They learn about materials and Construction, specifications and estimations and are introduced to professional practice and business management. We provide it through market survey/Internet. Teaching: Computer Aided design which is useful for them today's globalized and competitive world. We planned extracurricular activities like Industrial Visits/ Site Visits Exhibition Visits. We conduct Workshops and expert lectures. It is our tradition to provide students a platform to demonstrate their talent before the management, staff, parent' well-wishers reputed Interior Designers and Architects. We organize an annual exhibition NIRMITEE every year b the students. This occasion is also an opportunity to recognize the achievements of our students and staff. The display their projects and make various model of kitchen, Living Room, Office, Cake Shop, etc. Many get benefit of this exhibition. They get placement. More than that it is a platform to boost up their confidence. We completed 20 successful years. Many of our students doing fantastically in today's globalized world. Some a doing their own practice and some are working with reputed Architect firms as a designer or project manager. In future, our aim is on Career advancement. Interior designing is a hectic and tedious profession. It involves Co working_ at sites and in the office. The person should able to handle the pressure from clients in meeting deadline and fitting the client's requirements in to his/her budget. So, our aim is to produce capable Interior Designers from our College.
