Profile of Department B.Sc. in Fashion & Apparel Design

Fashion designing is becoming increasingly viable career. Its about creating a revolution bringing change and setting new trends in the fashion industry.

We at B.C. Thakur centre for skill development are conducting B. Sc. in Fashion and Apparel Design. Our institute was established in the year 2003. Our goal is to encourage our students to examine the past and challenge the present. To have inventive, assertive ideas that challenge social agendas. We give them the skills, opportunities - and above all, the freedom - to put those ideas into practice.

Our teaching method is based on 80% practical, we teach basic elements and principal of design, Drawing, colour, and art foundation, and basic theory of all subjects. The student is equipped and adequate knowledge and experience in designing simple freelance work in fashion designing initially and also in fashion industry.

We offer offer high quality, relevant and cost effective professional courses to cater the need of society.

Our goal is to produce professionals with a clear vision in both ability and innovation . we enhance the professional skills among the learners to cater their careers. we offer appropriate career advancement activities and provide accessible learning opportunities responsive to the range of community needs.

It is a well-developed Centre of Fashion and Apparel Design, which provides them over all Technical, and practical knowledge in pattern making, Fashion illustration, art appreciation, basic surface ornamentation in the initial years. This helps the students to enhance their Entrepreneurial skills knowledge and further helps them to create their unique design for Nirmitee fashion show. Nirmitee Fashion show has been held in college since 20 years. The fashion show helps them understand the fashion trend forecasting, Market survey and fabric material research. The centre has created its presence in the fashion industry.

We provide them industrial visits, we also provide them internship at many fashion design houses. There are orientation programs from experts lecturers and workshops for career advancement which sculpts their design thinking and make the students industry ready.

Our center is committed to artistic innovation and intellectual rigor,. Each program is designed to take the students through extensive industry training, ensuring they acquire the technical, and soft skills required for managerial positions within the apparel export industry, domestic retail industry as well as to become entrepreneurs. They can also work as Fashion Designers, Pattern Drafters, Merchandisers, Fashion Illustrators, can own a boutique. Our aim is to produce excellent Designers from our College.
