Dear Prathamesh,

We are pleased to offer you the position of **Executive - Operations** at CarTrade Tech Limited, for the brand CarWale.

Before you sign up with us, we would love to tell you more about the team you are going to be part of and believe, it will help you take the right decision.

Our Culture:

Culture and the values that brought us together is core to us and are the fundamental reasons why we have started on this journey. It's our constant effort to work with very talented individuals who live according to the same values as we have and here they are:

1. Be Respectful: We have had a very humble start and it is the value of respect and kindness towards each other that matters to us. We don't just show respect, concern and care in our behavior but strive to be more kind in making decisions that affect our lives. There are times when we are right and it's easy to defend a decision, but it's more important to see if we are kind as well, to our organisation, to our team and to the individual.
2. Stay Agile: We reached where we are through a lot of experimentation and still anticipate an on-going adaption of the business model. We go with the flow, with the growing needs of the company. Only people who are agile and flexible thrive with us and those who aren't find it difficult to grow here.
3. Ownership: In our workplace, we emphasize ownership. We collaborate with self-responsible, self-motivated colleagues who thrive with minimal supervision. We prioritize results, taking full responsibility for what we achieve. When issues arise, we look inward for solutions, judging ourselves and others by the outcomes delivered.
4. We before I: In our day-to-day decisions and on matters that are important and

Impact our customers, shareholders and colleagues, we look at the larger interest before taking care of our own interests. So the Team comes before the Individual; Division comes before Team and Company comes before Division.

Offer herein is indicative of the company's intent and is subject to your confirmation in agreement.
