IQAC Quality Initiatives in Academic Year 2022-23

- 1. Ecosystem for ICT and e-content Development:** As clearly mentioned in the Perspective plan, during the year 2022-23, a concrete action plan was implemented to create facility for e-content development. The institution procured the Lecture Capturing System with related hardware and software for e-content development. The institution has conducted One Week FDP on "e-Content and MOOCS Creation: Hands on training" to train teachers for e-content development. The recorded lectures are uploaded on an official YouTube Channel 'CKT MOOCS'. For effective teaching and learning, college has augmented its academic facilities with 20 new LCD projector and 25 EyeRIS Interactive Wireless Digital Whiteboard Devices.
- 2. Preparedness for implementation of National Education Policy-2020:** In line with decision of Government of Maharashtra to implement NEP-2020 from academic year 2023-24 for autonomous colleges, IQAC has initiated the preparedness for its implementation. College has constituted NEP-Implementation Committee and under the guidance of IQAC, several meetings of stakeholders are conducted. The comprehensive NEP framework with course structures and credit framework was finalised through discussions with stakeholders. The process of design of new courses was completed. The NEP framework was approved by the statutory bodies and made it available for its implementation from academic year 2023-24.
