

Institutional Distinctiveness

Academic Year 2022-2023

Our institution is committed to the holistic development of students and places significant emphasis on grooming their intellectual, social, physical, and emotional skills. The institution has taken special efforts to implement it through various activities carried out and policies designed by the management. Institute provides disciplined, value-based, quality-assured, inclusive and activity-oriented education.

With institutional autonomy, we maintain a meticulously designed and continuously updated curriculum to align with the latest educational standards. Institute ensures the use of innovative teaching methods and cutting-edge technologies for effective teaching to enhance the learning experience of the students. Our modern facilities, including ICT enabled classrooms, well-equipped laboratories and a comprehensive library, are tailored for hands-on learning and self-directed exploration. In addition to traditional learning spaces, we offer specialized areas such as Science Resource Centre with centralised sophisticated instrumentation facility, Commerce and Management Resource Centre, Innovation and Incubation centre, Maker Space to create conducive environment for focused study, innovative research, collaborative projects and hands-on experimentation. Interactive Language Laboratory with advanced software, e-content development facilities and licenced software for research exemplifying our institution's dedication to offer a cutting-edge educational experience that encourages students to push the boundaries of knowledge in their respective fields.

We have adopted a student-centric approach, with learners placed at the core of all our educational initiatives, offering personalized support and mentorship to each student. Furthermore, our institution emphasizes student involvement in the local community through distinguished NSS, NCC, Cultural, Sports and DLLE units. The extension activities, outreach programs, internships, society based research projects-Anugoonj, and Avishkar Research Association inculcate values of service, leadership, discipline and enrich the educational experience.

Institute recognized the importance of accessible and inclusive education and with generous management of support, we provide financial assistance, concessions and a range of scholarships to socio-economically weaker and deserving students, ensuring

that financial constraints do not hinder their educational pursuits. To further motivate students, we felicitates meritorious individuals with awards.

Excellence is not a destination but a journey, and our institution is dedicated to this journey. We continuously evaluate our programs and actively undertake feedback from students and stakeholders. This unwavering commitment to continuous improvement ensures that we remain at the forefront of educational excellence, constantly evolving to meet the changing needs of society. This commitment to improvement is a distinctive aspect of our institution.
